

Thinking primarily about your circle of influence and control, what will be your contribution to improving racial equity through your work at your organisation?

<p>What makes you passionate about doing this work? What are your personal motivations for taking action?</p>	
<p>What is your specific focus area? Focus on one (or max two) things that will make a difference</p>	
<p>What action(s) will you take?</p>	
<p>What help do you need?</p>	
<p>What do you want to see achieved and by when?</p>	
<p>How will you track progress?</p>
